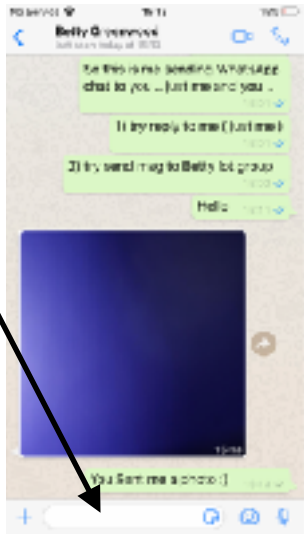
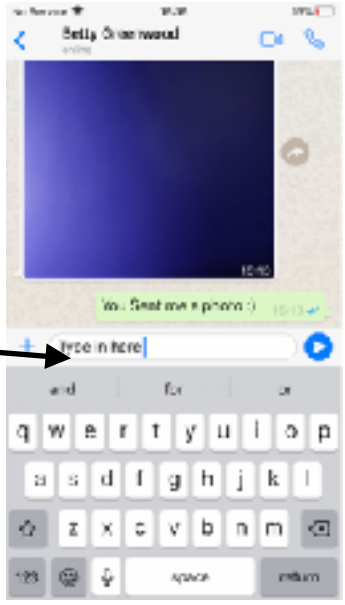
Whats App Send Message

1) Click into the white box .. to the right of the “+”

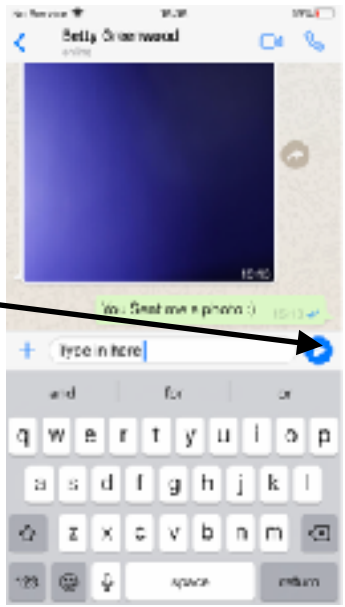
(You should get a blue flashing vertical line in the white box and the keyboard should pop up … meaning you can type your message)



2) … then type your message / text in the white box ….

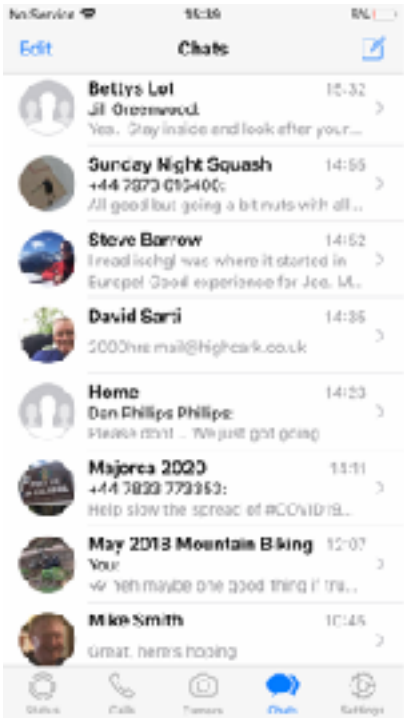


3) And then click the blue arrow to send



WhatsApp - View Messages

A chat is a series of messages between YOU and a person or group of persons.
i.e. “Colin Greenwood” or “Bettys Lot”

If viewing messages in a chat like “Bettys Lot” to go back the list of chats to see other chats.
click the Blue arrow at the top left.
(The arrow means “Go back”)


And then click anywhere on a chat in the list to view the messages in the chat.
(See my list here .. I got chats with various people)
